THE GIANT HOWARTH SLEEPOUT

In 2022 Huddersfield Giants Community Trust and Howarths Foundation joined forces to hold the first ever Giant Howarth Sleepout.

From a conversation in early 2022 both charities had the same passion to collaborate and support the vulnerable through a joint event.

In equal measure we aim to provide opportunities to improve lives and give positive feelings in our local communities. Collaboratively we know working together we can make a larger impact to more individuals.

From the event all donations will go directly towards each charities areas to serve:

- *Howarths Foundation* - seeks to secure meaningful employment and housing for individuals who have experienced homelessness.
- *Giants Community Trust* - Providing vulnerable individuals equal opportunities through health, well-being and inclusion.
